

THE STATE SAVINGS BANK OF TALLAHASSEE.

IMPROVED POCKET SAVINGS BANK.

Don't you want to start a bank account? Would you like to have one of these little improved pocket savings banks to help you to save your nickles and dimes? It is so arranged that you can deposit half a dollar or smaller coins. It is of a size convenient to carry in the vest pocket or a ladies hand bag. It is always ready to help you resist the temptation to spend money. We want an account with everybody in this vicinity.

We furnish one of these banks free to everyone who will deposit one dollar and promise to open an account with us within thirty days from receipt of bank. These banks are delivered to you locked and can only be opened by us.

You would be surprised to know how much money you can save in five years by taking care of your small change and depositing in a savings bank.

It is not wise to save money by keeping it in the house, because there is danger of loss by thieves and fire, and besides it is not making anything. But place it with us and it is earning something. We pay 3 per cent interest on all deposits of One Dollar and upwards. Interest periods are first days of April and October.

Below we give a table showing how savings will accumulate in five years, computed on a basis of 313 working days in the year, at 3 per cent interest.

	Am't deposited.	Interest earned.	Total am't
10c per day for 5 years.....	\$156.50	\$11.14	\$167.64
20c per day for 5 years.....	313.00	22.28	335.28
25c per day for 5 years.....	391.25	27.85	419.10
